OLD CORNERS TROUNCE O, AND D. TEAM IN FIRST GAME OF TWILIGHT SERIES

"Gentlemen, meet Mr. Jack Harring-ton, second Heinie Groh!" "Oh. you saw him at the Fairgrounds fast night " Played a wonderful game didn't he ?" Oh. fes, he's a real ball player, that boy, can handle the fast ohis and hits like a streak," "I hear the Kaceys are going to sign him up to take Olney's place on the bench." "Oh, yes, he'll make good in any ca-

Oh, yes, he if make good in any capacity.

This was the comment heard after the Old Corners had won from the Q. and D., team at the Fairgrounds on Monday evening by a score of 10 to 5 in as riotous a game as has ever been seen on the Kacey diamond. To tell the truth, everybody was just waiting for a chance to hand Jack the raspberry but he played such a stellar gams that the jeers soon changed to cheera. He was fast on the bases and once beat Umpire Callahan in a race from first to second, Callahan having slipped and fell twice during the distance. It was Harrington's hit that stance. It was Harrington's hit that scored the tieing run in the third inn-ing and started the rally that contin-ued through the next five innings.

The game started off with Jerry Desmond pitching for the Q and D,'s and "Sorrel Top" Reardon burning them over for the Old Corners. Jerry had nothing at all on the ball after the first two innings and then blew up. Sorrel Top had everything that Christie Mathewson ever had and he continued to mow down the clothiers as fast as they came up and had twelve strikeouts to his credit. Chuck' held the baberdashers in the twelve strikeouts to his credit. "Chuck" held the haberdashers in the hellow of his hand until the eighth inning when he loosened up a bit and the opposition scored 5 runs. In the ninth inning he tightened up and only three runs faced him. three men faced him.

There were many bright spots it There were many bright spots in the game and some real base ball than Rocky Kansas, who was easy playing. Jack Murphy who caught for the haberdashers showed real class and it was evident that he was no nowice at the game. Bunk Walsh also caught an excellent game for the champion a few weeks ago; he is training as assiduously as he has done for his important matches also caught an excellent game for the

Jack Gleason in right field entertained with a few acrobatic stunts giving a clever exhibition of the nose dive. Bill Harrington was also a bright light among the many stars. Cobb to shame but it sure did rattle Bill's teeth. Jim Sheridan also played a wonderful game both in the field and on the coachig lines. Jim's most remarkable feat was his slide to first base after he had been forced out at second. Jim didn't know he was out so when the ball was thrown to first for a double play he made a wonderful glide to the bag only to find it cocupied.

Portly Tem Fits played is good occupied.

Portly Tom Fitz played is good game in the field and a better one at best the only trouble being his inability to hit safely. Red McKenna suffered the only casualty of the game when his old mate at the Sub Base hit him in the shins with the ball.

Bill O'Leary, who acted as a relief pitcher for the much shused Jerry Desmond, showed good form but the old Corners slaughtered his offerings.

Chicago, July 24—(By the A. P.)
—President Ban Johnson, of the American league, tonight declared the deal which sent Joe Dugan, star third baseman with the Boston Americans to the New York Yankees, was a "regrettable" transaction, and that trades of this cheracter in mid-season must be discouraged and legislated against.

The Yankees acquired Dugan and Elmer Smith, a hard hitting outfielder, in exchange, for Elmer Miller, an outfielder; John Mitchell, a substitute shortstop, Wilson Fewster, an infielder, and a pitcher to be selected later.

"A point has been reached where the public regards with aversion and apprehension any deal for players between the New York and Boston clubs," President Johnson said. "The New York club may secure temporary relief in the acquisition of Dugan and Smith, but they will not prove materially helpful to the building up of the team.
